WOMEN DIES OF BURNS YESTERDAY

MRS. BLANCHE SKINNER PASSED AWAY AT 4 P. M AT HOSPITAL

LEAVES SIX CHILDREN

Entire Body Burned to a Crisp by Exploding Oil Can—Terrible Suffering at Hospital.

Mrs. Blanche Skinner, 50 years old, 410 North Fillmore street, died at 4 o'clock yesterday afternoon at the St. Francis hospital from burns received about 8 o'clock yesterday morning when an oil can with which she was attempting to start a fire in the kitchen range exploded, throwing the burning fluid over her and burning practically her entire body to a crisp. She was rushed to the hospital immediately following the accident where she was attend by Drs. Rowlett and Ryan, but the very serious nature of her injuries made medical aid impossible, and she was administered anesthetics to alleviate her suffering throughout the day until she passed away.

Mrs. H. E. Blachely, a next door neighbor, was the first person at the scene of the accident and when Mrs. Skinner rushed from the house in a mass of flame, threw a blanket about her to extinguish the blaze. According to the story told by Mrs. Blachely, she saw Mrs. Skinner come out of the house shortly before eight o'clock yesterday morning to get some wood to start a fire. A few minutes later she noticed the room in a mass of flames and hastened outside where she saw Mrs. Skinner came to the door carrying the blazing oil can. The can exploded and threw the burning fluid over the woman. She rushed out into the yard and the blanket was thrown about her but the flames had burned every stitch of clothing from her body and practically every inch of her flesh was literally cooked.

Chester Skinner, a son of the dead woman, stated that he had just returned home from work and was preparing to go to bed when the accident occurred. "My mother was starting to get breakfast," he said, "and she poured the oil in the range to start the fire. There must have been a little fire left in the stove when she poured the oil on for it immediately blazed up and caught on the can. She attempted to carry the can outside when it exploded."

The young man asserted yesterday that he had bought the oil several weeks ago from the Standard Oil Company and had asked for kerosene. "My mother would not have any gasoline about the place," he said, "and she was always afraid to have it in the house. She started fires several times before with the oil from this can and we did not have any trouble with it."

The room in which the accident occurred was scorched by the blaze and the fire department was called to extinguish the blaze. The can which contained the liquid used by Mrs. Skinner was found in a corner of the room with the entire side blown out, and the opinion was expressed by the firemen, that it had contained gasoline.

Mrs. Skinner was left a widow seventeen years ago. She was the mother of six children, who survive her. They are Clifford, Dale, Chester and Ruth of this city; Paul of Omaha, and Mrs. Elmer Thompson of St. Joseph. She is also survived by her mother, and two brothers, Grayson Mounts of Schuyler, Neb. and Dorie Mounts of Bedison, Mo.

She was a member of the North Methodist church, and had been a devoted and active worker in church affairs throughout her life.

Her husband, Charles Skinner, lost his life by drowning in the White Cloud July 9, 1902. Mr. Skinner was working on the Hooker farm, southwest of Maryville and during a big rain storm in an attempt to save some cattle, lost his life, with the sudden rise of the river.

The funeral will be held at 2:30 o'clock tomorrow afternoon at the First M. E. church, the services to be conducted by the Rev. Gilbert S. Cox. The burial will be in Miriam cemetery.

Mrs. Katherine Miller returned Friday night from a several weeks' visit with her son, Robert Miller, of Wynona, Okla., and another son, Henry Miller of Vinita, Okla. She attended the state G. A. R. encampment in Joplin, enroute home.

8 TEACHERS TO BE CHOSEN

Four in the High School and Four in the Grade Schools—To Apply for Smith-Hughes Act.

There are still four vacancies in the grade schools and four vacancies in the high school to be filled by the school board and they request anyone desiring to apply to do so at once. Superintendent J. M. McDonald was instructed by the board to go to Columbia next week to find teachers. Mr. McDonald is visiting in Richmond this week. Of the teachers recently selected Miss Nell Hudson and Miss Mabel Wells have not signed their contracts.

The board instructed Superintendent McDonald to make application for approval under the Smith-Hughes act, the vocational education act, and to correspond with teachers for the purpose of hiring one. This act provides that the government will pay part of the expenses of a teacher if certain requirements are met by the school. The board intends to extend the work of the domestic science department.

The board will also take up the matter of military drills and tactics. If 100 students, fourteen years or over, are secured, the government will furnish a military man and provide equipment.

SO. METHODIST GO $2,909 OVER QUOTA

CENTENARY DRIVE YESTERDAY MOST SUCCESSFUL EVER HELD

RAISE QUOTA IN1 1-4 HRS.

Original Amount of $4,653 Raised Early in Drive—Drive Made in Surrounding Country.

One of the most successful campaigns in the history of the South Methodist church in this city, was staged yesterday afternoon when thirty-six members of the church, working as six soliciting teams, raised $7,562.50 in the Centenary drive—a total of $2,909.50 over and above the original prescribed quota of $4,653 for this church. The drive opened at 1 o'clock yesterday afternoon and exactly one hour and a quarter after the start of the campaign, the reports showed the prescribed amount was raised. The workers continued their solicitation up until six o'clock with the subsequent over subscriptions. The final reports were made at the evening service yesterday. Maryville was the second church in the St. Joseph district to go over, Fairfax being first.

Following the morning service the members who were to take part in the drive, gathered at the church and held a luncheon, during which the systematic plan for the work was discussed.

Promptly at 1 o'clock the various teams started out with a definite territory to cover and the rapid manner in which they worked is shown by the excellent results of the drive.

In the campaign yesterday only members of the church were asked to contribue, although a few outside volunteer subscriptions were reported by the workers.

The Centenary drive is being conducted by the two Methodist churches throughout the United States for the purpose of re-adjustment and missionary work in the war devastated regions, and in various parts of the country a day is set aside for the drive.

In connection with the campaign here yesterday, a drive was held at several of the smaller towns surrounding Maryville. In the morning, I. B. Williams and T. H. Leet of the local church, went to Wilcox, where they made talks in the interest of the drive. They were scheduled to speak at Skidmore last night and J. H. Thorp and J. W. Blagg at Centenary but were unable to go on account of the rain.

The results of the campaign yesterday in the various churches will be reported to the local committee in the near future.

Rev. R. C. Holliday, pastor of the South Methodist church here,, stated today that the campaign was a wonderful success, and that the interest shown by the members in the movement was very good. "Although we have gone away above our uota," said Rev. Holliday this morning, "the workers are still visiting the members whom they were unable to reach yesterday, and after the complete canvass of the church congregation has been made, I feel certain that the amount of over subscription will be in the neighborhood of $200 more than already reported.

Following are the amounts reported by the various teams last night. Team No. 1, Mrs. L. P. Colvin, captain, $1,317.50; Team No. 2, Miss Bertha Beal, $2,267.50; Team No. 3, J. W. Blagg, $1,230; Team No. 4, D. R. Baker, captain, $815; Team No. 5, Miss Etta Suetterlin, $105, and Team No. 6, T. H. Leet, $112.50.

Previous subscriptions or credits raised by the various departments of the church amounted to $1,715 and $5,847.50 brought the grand total to the $5,847.50 raised in the drive yesterday brings the grand total to $7,562.50.

RUSSIAN REDS TURN DOWN OFFERS OF FOOD RELIEF

Bolsheviki Leaders Intimate Proposal of Dr. Ninsin an Attempt to Cause Cessation of Military Campaign.

Paris, May 19.—Negative reply of the Russian Bolshevik government to Doctor Ninsin proposals for food relief interpreted here as meaning the Russian Reds will not abandon attempts to invade neighboring territory. The Bolshevik commissary thanks Ninsin but intimates the proposal of relief offer was an attempt to fool the Russians into abandoning successful military operations.

SIGHT NC-3 NEAR PUNTA DEL GADA

ADMIRAL JACKSON SO ADVISED NAVY DEPARTMENT THIS P. M.

NC-4 OFF SOON FOR LISBON

The Last Lap of Flight Across the Atlantic to Start as Soon as the Weather Permits.

Washington, May 19.—NC-3 was sighted seven miles from Punta Del Gada. Admiral Jackson advised the navy department this afternoon.

NC-4will hop off for Lisbon as soon as the weather permits.

Washington, May 19.—NC-4 may abandon their flight overseas to assist in search for missing NC-3, Admiral Plunkett, according to message received at the navy department today, issued these instructions "use all available destroyers west of Punta Del Gada and NC-4 if practical to make organized search for NC-3."

The navy department officials were unable to say whether NC-4 would continue their flight if the search of seas failed to locate missing plane.

Washington, May 19.—Apprehension as to the safety of Commander John H. Towers and his crew of four men, who, in the seaplane NC-3 have been lost at sea for more than forty hours, had begun last night to displace the feeling of confidence among naval officials that the trans-Atlantic fliers soon would be found by searching vessels.

No word had been received from the NC-3 since 5:15 o'clock Saturday morning when Commander Towers reported that his plane, the flagship of the squadron, was off her course some three hundred miles from the Island of Fayal. Azores. Dispatches from Rear Admiral Jackson, aboard the U. S. S. Melville at Ponta Delgada, Azores, tonight said a gale was sweeping the seas northwest of the Azores, and that high waves were running.

Messages received from Rear Armiral Jackson last night telling of the damage to the NC-1 caused by the heavy seas running at the time the plane was found served to increase appreheision felt for the safety of the crew of the NC-3. The lower planes of the NC-1 were badly damaged, one pontoon was entirely carried away, the right wing was badly broken, the left wing ribs were damaged and the elevators were smashed.

MRS. L. C. CURNUTT DEAD

Succumbs to Heart Trouble at 1 P. M. Today—Survived by Five Children Funeral Arrangements Later.

Mrs. Lydia Catherine Curnutt died very suddenly about one o'clock this afternoon at her home, 410 east 3rd street. She had been ill for some time with heart trouble.

Lydia Catherine Newhard was born in Smartsburg, Ind., March 25, 1849. She was the oldest daughter of Dr. Elias Newhard, a physician for forty years, who moved to Nodaway county in 1873. She was married to John H. Curnutt when a young girl in 1866. To this union were born ten children, five of whom are living. They are John Z. Curnutt, Mrs. Burr Williams and Miss Bess Curnutt of this city, Mrs. Jennie A. Robertson of Colorado Springs, Colo., and Mrs. Anna A. Smith of Barnard. A sister, Mrs. Phoebe Everhart and a brother, George Newhard of Atchison, Kan., also survive. Her husband, for years a leading contractor in Maryville died Dec. 14, 1917.

Arrangements for the funeral have not been completed.

Miss Rosanna Stauble has returned from Richmond, where she has been teaching.

NODAWAY BEHIND IN RELIEF DRIVE

COUNTY $3,000 BELOW QUOTA IN ARMENIAN-SYRIAN CAMPAIGN

MARYVILLE DOES HER BIT

Only Five Townships Go "Over the Top"—Many School Districts Fail To Respond.

Nodaway County fell behind practically $3,000 in the Armenian-Syrian Relief Fund Campaign which was started early last spring and which has been conducted throughout the country in the interest of the war sufferers, it was announced by C. Edwin Wells, chairman of the local committee, today. The quota of Nodaway County was placed at $7,000 and the total of subscriptions up to date shows only $4,003.69 raised so far. Chairman Wells stated that the active work of the drive has now been completed, although volunteer subscriptions are still being received by the committee.

Maryville raised her share of the Polk township quota, it was announced although the failure of the remaining territory of the township to subscribe kept the township from going "over the top."

Only five of the townships raised as much or more than asked to. Burlington Junction in Nodaway raised $450.00; Hopkins, in Hopkins township, $450; Graham in Hughes, $396.32; Skidmore in Monroe, $365.25 and Pickering in Union, $323.09.

In six of the townships the quota was practically raised but fell short of the original sum. Maryville, headquarters for Polk, raised $1,458.52; Parnell of Independence, $235.75; Clearmont of Atchison, $132.45; Barnard, of Grant and White Cloud, $110.75; Quitman, of Greene, $75; Conception Junction of Jefferson, $8.70; and Elmo and North Grove of Lincoln, $54.50.

Guilford in Washington township and Ravenwood in Jackson, failed to report any money raised.

Each school district was asked to raise the sum of $25 and thruout the county only two districts, Knabb and Rockford, managed to raise the full amount. Knabb raised $26.50, while Rockford raised $26.00.

Other districts which made an attempt to raise the amount were Rose Hill, $19.50; Council Corners, $19.00; Bedison, $15.88; Schudder, $11; Highland, $10; Bloomdale, $7.20; Union, $5.50; Garrett, $5; Martha Washington, $15. The remaining sixteen school districts did not even make a response.

MISSIONARY DAY AT CHRISTIAN SUNDAY SCOOOL

"Four Minute" Talks Given by Members During Morning Session. To Raise $420 by June 1.

The annual Missionary Day was celebrated at the Christian church yesterday at the morning Sunday school service with a number of "four minute" talks by members of the church. P. D. Armour Duncan spoke on "India" Frank Green on "Japan" before the Sunday school, while talks on similar subjects were made by Mary Holt and Martin Penisten before the Junior department.

Each of the speakers brought before their hearers the conditions in foreign lands where Christianity is in its infancy and urged that efforts be made to extend the doctrines of the Christian religion to these lands.

The goal of the Christian Sunday school is to raise $420 by June 1, which is Children's Day, the sum to be sent to Dr. Drummond, a missionary of the local church who is now working among the natives in India.

Following the Sunday school service yesterday the 450 members went to the Buchanan street side of the church where a group picture was taken. Owing to an accident to the film, the picture will be taken again next Sunday.

A program has been arranged for Children's Day June 1, a feature of which will be a pageant given by the children of the school under the direction of Mrs. F. P. Robinson.

German Head of Peace Delegation Returning to Paris Today Report— May Be Replaced.

Paris, May 19.—The American, French and British delegations today received special dispatches from Berlin indicating that Germany probably will sign the treaty. The sentiment informally in favor of signing the terms is said to be stronger than at any time.

The foreign minister met this afternoon to hear the Dutch and Belgian representatives relative to revision of treaty of 1839. This treaty relates to the rights on Scheldt river and territorial matters.

London, May 19.—The socialist news paper, the Vorwaerts of Berlin, says the national assembly peace conference committee have decided that the treaty shall not be signed by the Germans, said a Central News dispatch from Amsterdam today.

Paris, May 19.—Count von Brockdorff Rantzau, German foreign minister and head of the peace delegation, is returning to Paris, according to report today. He is due to arrive here from Spa at noon. He left Versailles for Spa Saturday night.

It was rumored he was proceeding to Berlin and possibly would not return, being replaced by another German delegate.

Paris, May 19.—The distribution of mandatories for Turkish territories among the allies was taken up today by the "Big Four." The question has been complicated by religious matters. The French and British military representations met at the same time to decide upon joint military occupation.

STATE CAPITAL LETTER

Tax Solution Satisfactory—Republican League Name Negroes for Vice-President.

By Means Ray.

Jefferson City—The solution of the tax question by making an appropriation for the State Tax Commission and the naming of the new commissioner by Governor Gardner seems to have met with the approval of the people of the state generally. While the appropriation is for only $35,000 the Governor hopes to secure the services of men who will serve without financial reward, as commissioners.

It is agreed by all here that more money must be secured by the state to replace the $3,000,000 which has been received by licensing the liquor traffic. This money must be secured in some manner and there is no way to get it except by direct taxation.

People of the state will have no objection to this if reports received here are any indication of the general feeling.

Republican members of the House opposed the tax settlement for sometime and rejected conference report arter report relating to taxation for valuation of property at two-thirds value and a reduced state levy. Some say that they were anxious to have an extra session but the Governor and Democratic Senate did not want this expense of $100,000 and they worked day and night with the Republicans to bring about the solution finally agreed upon. Because of the failure of the House to pass measures providing for assessment of railroads and the collection of corporation franchise tax retaining the Commission was necessary. The Senate refused to confirm members of the Commission and others will be named by the Governor.

A small split occurred in the Republican party at the organization of the Republican League. Charlie W. Fear and others planned the organization and taxed members and clerks $5 each to pay for a banquet but Chairman W. L. Cole, refused to invite the county chairman of the state. Cole feared the League was opposed to his chief, Senator Straddler Spencer, who Republicans say is both for and against the League of Nations.

Cole did not stop there but "dipped in" on the election of officers by electing Representative Davidson, of St. Louis, president, over Fear. They did not stop here for they elected Representative Charles U. Becker and Miss Mathilda Dallmeyer vice-presidents. They "cooled them off" by naming three of the twenty-eight negro clerks, J. C. Bradshaw, St. Louis; Silas Harris, Kansas City and Al. Thomas, Jefferson City, vice-president also.

Republicans from all sections are quite displeased as a result of the negroes being elected and because they were invited to attend the banquet and occupy tables next to the whites. Country members say that this was forced upon them by St. Louis members who brought the 28 negro clerks here for the session.

Governor Gardner has spent this week with heads of the various state departments and institutions going over the appropriation bills. The money appropriated by the session is over $20,000,000 and the Governor is determined to hold the amount down to the expected revenue. Department and institution heads will explain which money is least needed.

It has been announced by Governor Gardner that he will not name members of the Workmens' Compensation Commission for several weeks. The law is not effective until November 1, and he is of the opinion that it is useless to pay salaries when there is nothing for them to do.

Baptists Raise Quota.

The $550 quota of the Baptist church of this city which was assigned to the local church as their part of the Fund which is being raised by the Baptists throughout the world as a benefit for ministers who have become too old for active church work was raised at the meeting following the regular morning service yesterday.

It was planned by the members to have an all day session at the church but as the entire amount was secured shortly afternoon, no further solicitation was made.

A noon luncheon was held at the church yesterday at which over 100 members were present.

McALLISTER AS FEDERAL JUDGE?

Much Talk of His Appointemnt to Succeed Judge Dyer—Governor Would Select His Successor.

Jefferson City, May 19—Possibility of the appointment of Attorney General F. W. McAllister as Federal Judge to succeed Judge David P. Dyer, has aroused considerable speculation in political circles here. Should McAllister win the Federal appointment, his resignation as Attorney-General would follow immediately. This would throw into the hands of Governor Gardner appointment of his successor. No more natural inference could be deduced than that he would select for the place a man who was in accordaance with him in his views on taxation and full assessment of property. Such an appointment would throw control of the State Board of Equalization into the hands of the governor and Auditor George E. Hackman who have stood out together all along in their contention for full valuations against the combination of McAllister, Middelkamp and Sullivan.

Middelkamp and Sullivan would be in the minority rule than as have been the governor and Hackman all along. Discussing the possibility of such a change Secretary of State Sullivan declared that he was willing to stand on his record as a member of the board and was unalterably opposed to the cash value assessment proposed by the State Tax Commission.

When an energetic hard working man feels unduly tired, half sick, "blue" and discouraged he thinks he is getting lazy. It isn't laziness, the trouble is in the stomach and bowels; they are disordered. To restore energy, vim and activity the right remedy is Prickly Ash Bitters. It is a mans remedy for regulating the system. Price $1.25 per bottle.—Maryville Drug Co., Special Agents.—Adv.

RICHARDSON TO JEFFERSON CITY

Governor Has Called a Meeting of Heads of State Institutions to Cut Down Appropriations.

Ira Richardson, president of the State Normal School, left for Jefferson City this afternoon, having been called there by Governor Gardner for the purpose of taking up the matter of the appropriation for the institution here. The governor has called together the heads of all state schools and other institutions preparatory to cutting down the appropriations, made by the recently adjourned legislature. The appropriations amount to more than $20,500,000 and the governor says not more than $18,000,000 will be available during the next biennial period.)

Jefferson City, May 19.—Governor Gardner today took up and began the work of "trimming" the appropriation bills. All three of the police salary increase bills will be approved. Boards of Estimates and other fiscal authorities of St. Louis and Kansas City and St. Joseph have endorsed the measures to the governor.

Executive heads of all State institutions will be summoned to this city for consultation with the chief executive as to what items in their budget they can best do without. Some will imply be "held up" until such time ext year as revenue developments will ndicate they can be ultimately paid. Others will be vetoed outright. There is a slight rift in the financial cloud with liee in the fact that President Wilson may rescind the war prohibition order, and in that event there will be at least $750,000 more revenue from the dram shops than has been figured on.

However, Governor Gardner cannot figure with any certainty at this time on the contingency of the lifting of the war prohibition which becomes effective July 1. If it should be raised and prohibition does not become effective until January 16, next year, it will be a veritable "windfall" to Missouri finance. It is reasonably certain that the governor will approve the bill increasing the pay of chief clerks, book keepers, stenographers and other clerks in the various departments, although there is a great pressure being brought to bear upon him to veto the increase. There is a protest of file with the governor asking him to veto the bill, signed by five members of the house. The governor is so swamped with the work of examining the several hundred legislative enactments left on his desk that it is questionable whether he will be able to accompany the reception committee to New York to welcome the eighty-ninth Division when it lands on its return from France next week. On top of this applications continue to pile up in the executive office for appointments on the workmen's compensation commission. These are from discharged soldiers, sailors and marines. All ranks, from colonel down to privates are included in the applications. The appointments, which include form commissioners at $4,000 per year each and a secretary at $3,500 will not be made for several weeks.

Card of Thanks.

We desire to thank the kind friends and neighbors who so kindly assisted us in our late bereavement and also for the many beautiful floral offerings.

Do Not Get Careless With Your Blood Supply

Impurities Invite Disease.

You should pay particular heed to any indication that your blood supply is becoming sluggish, or that there is a lessening in its strong and vital force.

By keeping your blood purified, your system more easily wards off disease that is ever present, waiting to attack wherever there is an opening. A few bottles of S. S. S., the great vegetable blood medicine, will revitalize your blood and give you new strength and a healthy, vigorous vitality. Everyone needs it just now to keep the system in perfect condition. Go to your drug store and get a bottle to-day, and if you need any medical advice, you can obtain it without cost by writing to Medical Director, Swift Specific Co., 25 Swift Laboratory, Atlanta, Ga.

The Standard Oil Company and Its (Indiana) Competitors

THE Standard Oil Company (Indiana) in conducting its business, is animated by the homely philosophy of the golden rule.

By dealing in fairness to all, competitor and consumer alike, the company is confident that the superior service it renders, and the merit of the products it manufactures, will secure for the company its fair share of the business.

The Standard Oil Company (Indiana) is in active competition with 264 other companies, large and small, who are selling oil, gasoline, and other petroleum products, in the territory it serves. Most of them are prosperous.

The Standard Oil Company (Indiana) is essentially a service organization in a highly specialized branch of industry, doing a big job as efficiently as it knows how—and it is not owned by one or two rich men, but by 4623 stockholders, not one holding as much as 10 percent of the total stock.

It is the ambition of the Board of Directors that when their trusteeship has expired, that they may report to the stockholders a creditable result that shall have been achieved solely by quality of products, by superior service to the public, and by dealing in fairness to all, competitor, consumer and employe.

Gosh! How my back aches!
After influenza or colds the kidneys and bladder are often affected—called "nephritis," or inflammation of the kidneys.
This is the red-flag of danger—better be wise and check the further inroads of kidney disease by obtaining that wonderful new discovery of Dr. Pierce's known as "Anuric" (anti-uric) because "Anuric" expels the uric acid poison from the body and cures those pains, such as backache, rheumatism in muscles and joints.
Naturally when the kidneys are deranged the blood is filled with poisonous waste matter, which settles in the feet, ankles and wrists; or under the eyes in bag-like formations.
Dr. Pierce's Anuric is many times more potent than lithia and often eliminates uric acid as hot tea melts sugar.

Kansas City, Mo.—"For some time past I have been suffering with kidney trouble, and also, rheumatism. My back bothered me a great deal in the mornings. It would ache so it was difficult for me to rise up. The rheumatism seemed to be muscular, as my muscles would be sore and stiff most of the time. I doctored for these ailments but without relief. I saw 'Anuric' advertised and knowing that Dr. Pierce's other medicines were good, I got it at once. I have not finished the second bottle and my rheumatism has entirely left me and I am feeling better than I have for some time [illegible]"

SELF POISONING VERY PREVALENT

Auto-Intoxication Cause Of Most Ill Health and Disease.

Advanced medical authorities assert that auto-intoxication is the foundation of most of the ills and diseases to which the human flesh is heir.

This condition is nothing more nor less than the slow self-poisoning of the vital organs produced by the excessive mental and physical strain which we are forced to endure, which renders the organs lame and inactive, and permits toxins—actual poisons—to be generated within one's own body.

Usually the trouble starts in the intestines; sometimes it starts in the stomach, liver or kidneys, but in any case the blame lies with faulty method of living, and may be traced to over-eating excessive nervous strain, lack of exercise, or other causes. At any rate it is more important organs that suffer the final damage and when they falter or fail in their duties the body fills up with acids and poisons, and the victim often yields to their baneful influences. Bright's disease, heart trouble, high blood pressure, catarrhal affections, and other troubles are frequently the result of self poisoning, or auto-intoxication.

A tired draggy feeling of the body, a sluggish mind, and dull memory, intense nervousness, headache, stomach and bowel troubles, poor circulation, imperfect digestion, constipation and despondency are common symptoms of auto-intoxication; and nine out of every ten of the American people are likely to be so affected.

Tanlac, the powerful reconstructive and systemic tonic was designed especially to overcome these very troubles. There is not a single portion of the body that is not benefitted by the helpful work of this celebrated preparation, which begins its action by stimulating the digestive and assimilative organs, thereby enriching the blood and envigorating the entire system. Composed of the most beneficial roots and herbs known to science, it enables the stomach to thoroughly digest the food, thereby permitting the assimilable products to be converted into blood, bone and muscle. It overcomes that great exciting cause of disease, weakness, it renders the body vigorous and elastic, it keeps the mind clear and energetic, and throws off the symptoms of nervousness and indigestion. It builds up the constitution weakened by diseased or mental and physical over-work, quickens convalesence of the invalid, and is a sure and unfailing source of comfort to those who are suffering from the effects of nervousness and overwork.

572 Took Recent Eighth Grade Examinations and 278 Were Successful.

In the recent eighth grade examinations held in the various townships over the county, there were 572 who took the examinations. Of this number only 278 were successful. This is a lower percentage than usual but County Superintendent Bert Cooper thinks it is due to the closing of the schools last fall on account of "flu."

Obituary.

M. P. Gingrich was born in Stark county, Ill., Sept. 22, 1854, and died at his home in Maryville Mo., May 16, 1919. He grew to manhood in what was known as Stringtown, Stark Co., Ill., about eight miles south of Toulon. In 1882 he was married to Louisa Swanson. To this union were born six children, three boys, E. J., Roy L., Arlo M., and three girsl, Mrs. Minerva Winell, Mrs. Miranda Heflin and Ada B. Gingrich. All of them were present at his death except the youngest son, Arlo, who is in St. Nazaire, France. Roy has just returned from overseas service.

Mr. Gingrich was a man who knew the worth of a friend, considering a friend one of the best assets of life. He was a man that was always ready to help the needy. He freely contributed to the church and all kindred institutions. He was held in high esteem by all who knew him. In 1904 when he left his home in Illinois to come to Missouri, he was given a large farewell party by his friends and neighbors who wished him every success in his future home. All felt they were losing a true friend and neighbor. On coming to Missouri he settled on a farm, 5½ miles northwest of Maryville, known as the Taylor farm, where he lived until the fall of 1917. At that time he moved to his present residence on West 7th street, Maryville, where he was living at the time of his death. Besides his immediately family, he leaves a brother, Samuel B. Gingrich of Toulon, Ill., and sister, Mrs. Nancy Hobbs of Burlington Junction, both of whom were present at his funeral. Another sister, Mrs. James E. White, of Toulon, Ill., was unable to attend. Mr. Gingrich joined the United Brethren church while living in Illinois and after moving to Missouri he united with the Methodist church. He was at the time of his death a member in good standing of the Modern Woodmen of America. Mr. Gingrich was a long anad patient sufferer and his funeral was one of large attendance, composed of those who knew him best. Services were held at the First M. E. Church, conducted by the Rev. Gilbert Cox, after which the body was laid to rest in Miriam cemetery.

FEDS LOSE TO CONCEPTION.

Hale, former Western League Hurler Proves Stumbling Block for Local Tossers—Good Crowd.

The Maryville Federals met a 13 to 6 defeat yesterday afternoon at the hands of the Conception College nine on the latter's diamond, a good crowd of both Conception fans, and rooters from this city witnessing the contest.

The Maryville team played an excellent game of ball, but their stumbling block was Hale, the Conception hurler. Hale pitched for the Omaha team in the Western League last season and at the present time is holding up on a contract with the Kansas City Blues.

Buhler and Conley divided the hurling honors for the Feds and Black and Busby shared up in the catching end.

THIS WEAK, NERVOUS MOTHER

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.

Philadelphia, Pa.—"I was very weak, always tired, my back ached, and I felt sickly most of the time. I went to a doctor and he said I had nervous indigestion, which added to my weak condition kep me worrying most of the time—and he said if I could not stop that, I could not get well. I heard so much about Lydia E. Pinkham's Vegetable Compound my husband wanted me to try it. I took it for a week and felt a little better. I k pt it up for three months, and I feel fine and can eat anything now without distress or nervousness."—Mrs. J. WORTHLINE, 2842 North Taylor St., Philadelphia Pa.

The majority of mothers nowadays overdo, there are so many demands upon their time and strength; the result is invariably a weakened, run-down, nervous condition with headaches, backache, irritability and depression—and soon more serious ailments develop. It is at such periods in life that Lydia E. Pinkham's Vegetable Compound will restore a normal healthy condition, as it did to Mrs. Worthline.

WOMEN DIES OF BURNS YESTERDAY

MRS. BLANCHE SKINNER PASSED AWAY AT 4 P. M AT HOSPITAL

LEAVES SIX CHILDREN

Entire Body Burned to a Crisp by Exploding Oil Can—Terrible Suffering at Hospital.

Mrs. Blanche Skinner, 50 years old, 410 North Fillmore street, died at 4 o'clock yesterday afternoon at the St. Francis hospital from burns received about 8 o'clock yesterday morning when an oil can with which she was attempting to start a fire in the kitchen range exploded, throwing the burning fluid over her and burning practically her entire body to a crisp. She was rushed to the hospital immediately following the accident where she was attend by Drs. Rowlett and Ryan, but the very serious nature of her injuries made medical aid impossible, and she was administered anesthetics to alleviate her suffering throughout the day until she passed away.

Mrs. H. E. Blachely, a next door neighbor, was the first person at the scene of the accident and when Mrs. Skinner rushed from the house in a mass of flame, threw a blanket about her to extinguish the blaze. According to the story told by Mrs. Blachely, she saw Mrs. Skinner come out of the house shortly before eight o'clock yesterday morning to get some wood to start a fire. A few minutes later she noticed the room in a mass of flames and hastened outside where she saw Mrs. Skinner came to the door carrying the blazing oil can. The can exploded and threw the burning fluid over the woman. She rushed out into the yard and the blanket was thrown about her but the flames had burned every stitch of clothing from her body and practically every inch of her flesh was literally cooked.

Chester Skinner, a son of the dead woman, stated that he had just returned home from work and was preparing to go to bed when the accident occurred. "My mother was starting to get breakfast," he said, "and she poured the oil in the range to start the fire. There must have been a little fire left in the stove when she poured the oil on for it immediately blazed up and caught on the can. She attempted to carry the can outside when it exploded."

The young man asserted yesterday that he had bought the oil several weeks ago from the Standard Oil Company and had asked for kerosene. "My mother would not have any gasoline about the place," he said, "and she was always afraid to have it in the house. She started fires several times before with the oil from this can and we did not have any trouble with it."

The room in which the accident occurred was scorched by the blaze and the fire department was called to extinguish the blaze. The can which contained the liquid used by Mrs. Skinner was found in a corner of the room with the entire side blown out, and the opinion was expressed by the firemen, that it had contained gasoline.

Mrs. Skinner was left a widow seven teen years ago. She was the mother of six children, who survive her. They are Clifford, Dale, Chester and Ruth of this city; Paul of Omaha, and Mrs. Elmer Thompson of St. Joseph. She is also survived by her mother, and two brothers, Grayson Mounts of Schuyler, Neb. and Dorie Mounts of Bedison, Mo.

She was a member of the North Methodist church, and had been a devoted and active worker in church affairs throughout her life.

Her husband, Charles Skinner, lost his life by drowning in the White Cloud July 9, 1902. Mr. Skinner was working on the Hooker farm, southwest of Maryville and during a big rain storm in an attempt to save some cattle, lost his life, with the sudden rise of the river.

The funeral will be held at 2:30 o'clock tomorrow afternoon at the First M. E. church, the services to be conducted by the Rev. Gilbert S. Cox. The burial will be in Miriam cemetery.

Mrs. Katherine Miller returned Friday night from a several weeks' visit with her son, Robert Miller, of Wynona, Okla., and another son, Henry Miller of Vinita, Okla. She attended the state G. A. R. encampment in Joplin, enroute home.

8 TEACHERS TO BE CHOSEN

Four in the High School and Four in the Grade Schools—To Apply for Smith-Hughes Act.

There are still four vacancies in the grade schools and four vacancies in the high school to be filled by the school board and they request anyone desiring to apply to do so at once. Superintendent J. M. McDonald was instructed by the board to go to Columbia next week to find teachers. Mr. McDonald is visiting in Richmond this week. Of the teachers recently selected Miss Nell Hudson and Miss Mabel Wells have not signed their contracts.

The board instructed Superintendent McDonald to make application for approval under the Smith-Hughes act, the vocational education act, and to correspond with teachers for the purpose of hiring one. This act provides that the government will pay part of the expenses of a teacher if certain requirements are met by the school. The board intends to extend the work of the domestic science department.

The board will also take up the matter of military drills and tactics. If 100 students, fourteen years or over, are secured, the government will furnish a military man and provide equipment.

SO. METHODIST GO $2,909 OVER QUOTA

CENTENARY DRIVE YESTERDAY MOST SUCCESSFUL EVER HELD

RAISE QUOTA IN[illegible] 1-4 HRS.

Original Amount of $4.653 Raised Early in Drive—Drive Made in Surrounding Country.

One of the most successful campaigns in the history of the South Methodist church in this city, was staged yesterday afternoon when thirty-six members of the church, working as six soliciting teams, raised $7,562.50 in the Centenary drive—a total of $2,909.50 over and above the original prescribed quota of $4,653 for this church. The drive opened at 1 o'clock yesterday afternoon and exactly one hour and a quarter after the start of the campaign, the reports showed the prescribed amount was raised. The workers continued their solicitation up until six o'clock with the subsequent over subscriptions. The final reports were made at the evening service yesterday. Maryville was the second church in the St. Joseph district to go over, Fairfax being first.

Following the morning service the members who were to take part in the drive, gathered at the church and held a luncheon, during which the systematic plan for the work was discussed.

Promptly at 1 o'clock the various teams started out with a definite territory to cover and the rapid manner in which they worked is shown by the excellent results of the drive.

In the campaign yesterday only members of the church were asked to contribue, although a few outside volunteer subscriptions were reported by the workers.

The Centenary drive is being conducted by the two Methodist churches throughout the United States for the purpose of re-adjustment and missionary work in the war devastated regions, and in various parts of the country a day is set aside for the drive.

In connection with the campaign here yesterday, a drive was held at several of the smaller towns surrounding Maryville. In the morning, I. B. Williams and T. H. Leet of the local church, went to Wilcox, where they made talks in the interest of the drive. They were scheduled to speak at Skidmore last night and J. H. Thorp and J. W. Blagg at Centenary but were unable to go on account of the rain.

The results of the campaign yesterday in the various churches will be reported to the local committee in the near future.

Rev. R. C. Holliday, pastor of the South Methodist church here, stated today that the campaign was a wonderful success, and that the interest shown by the members in the movement was very good. "Although we have gone away above our uota," said Rev. Holliday this morning, "the workers are still visiting the members whom they were unable to reach yesterday, and after the complete canvass of the church congregation has been made, I feel certain that the amount of over subscription will be in the neighborhood of $200 more than already reported.

Following are the amounts reported by the various teams last night. Team No. 1, Mrs. L. P. Colvin, captain, $1,317.50; Team No. 2, Miss Bertha Beal, $2,267.50; Team No. 3, J. W. Blagg, $1,230; Team No. 4, D. R. Baker, captain, $815; Team No. 5, Miss Etta Suetterlin, $105, and Team No. 6, T. H. Leet, $112.50.

Previous subscriptions or credits raised by the various departments of the church amounted to $1,715 and $5,847.50 brought the grand total to the $5,847.50 raised in the drive yesterday brings the grand total to $7,562.50.

SIGHT NC-3 NEAR PUNTA DEL GADA

ADMIRAL JACKSON SO ADVISED NAVY DEPARTMENT THIS P. M.

NC-4 OFF SOON FOR LISBON

The Last Lap of Flight Across the Atlantic to Start as Soon as the Weather Permits.

Washington, May 19.—NC-3 was sighted seven miles from Punta Del Gada. Admiral Jackson advised the navy department this afternoon.

NC-4will hop off for Lisbon as soon as the weather permits.

Washington, May 19.—NC-4 may abandon their flight overseas to assist in search for missing NC-3, Admiral Plunkett, according to message received at the navy department today, issued these instructions "use all available destroyers west of Punta Del Gada and NC-4 if practical to make organized search for NC-3."

The navy department officials were unable to say whether NC-4 would continue their flight if the search of seas failed to locate missing plane.

Washington, May 19.—Apprehension as to the safety of Commander John H. Towers and his crew of four men, who, in the seaplane NC-3 have been lost at sea for more than forty hours, had begun last night to displace the feeling of confidence among naval officials that the trans-Atlantic fliers soon would be found by searching vessels.

No word had been received from the NC-3 since 5:15 o'clock Saturday morning when Commander Towers reported that his plane, the flagship of the squadron, was off her course some three hundred miles from the Island of Fayal, Azores. Dispatches from Rear Admiral Jackson, aboard the U. S. S. Melville at Ponta Delgada, Azores, tonight said a gale was sweeping the seas northwest of the Azores, and that high waves were running.

Messages received from Rear Armiral Jackson last night telling of the damage to the NC-1 caused by the heavy seas running at the time the plane was found served to increase appreheision felt for the safety of the crew of the NC-3. The lower planes of the NC-1 were badly damaged, one pontoon was entirely carried away, the right wing was badly broken, the left wing ribs were damaged and the elevators were smashed.

MRS. L. C. CURNUTT DEAD

Succumbs to Heart Trouble at 1 P. M. Today—Survived by Five Children Funeral Arrangements Later.

Mrs. Lydia Catherine Curnutt died very suddenly about one o'clock this afternoon at her home, 410 east 3rd street. She had been ill for some time with heart trouble.

Lydia Catherine Newhard was born in Smartsburg, Ind., March 25, 1849. She was the oldest daughter of Dr. Elias Newhard, a physician for forty years, who moved to Nodaway county in 1873. She was married to John H. Curnutt when a young girl in 1866. To this union were born ten children, five of whom are living. They are John Z. Curnutt, Mrs. Burr Williams and Miss Bess Curnutt of this city, Mrs. Jennie A. Robertson of Colorado Springs, Colo., and Mrs. Anna A. Smith of Barnard. A sister, Mrs. Phoebe Everhart and a brother, George Newhard of Atchison, Kan., also survive. Her husband, for years a leading contractor in Maryville died Dec. 14, 1917.

Arrangements for the funeral have not been completed.

Miss Rosanna Stauble has returned from Richmond, where she has been

NODAWAY BEHIND IN RELIEF DRIVE

COUNTY $3,000 BELOW QUOTA IN ARMENIAN-SYRIAN CAMPAIGN

MARYVILLE DOES HER BIT

Only Five Townships Go "Over the Top"—Many School Districts Fail To Respond.

Nodaway County fell behind practically $3,000 in the Armenian-Syrian Relief Fund Campaign which was started early last spring and which has been conducted throughout the country in the interest of the war sufferers, it was announced by C. Edwin Wells, chairman of the local committee, today. The quota of Nodaway County was placed at $7,000 and the total of subscriptions up to date shows only $4,003.69 raised so far. Chairman Wells stated that the active work of the drive has now been completed, although volunteer subscriptions are still being received by the committee.

Maryville raised her share of the Polk township quota, it was announced although the failure of the remaining territory of the township to subscribe kept the township from going "over the top."

Only five of the townships raised as much or more than asked to. Burlington Junction in Nodaway raised $450.00; Hopkins, in Hopkins township, $450; Graham in Hughes, $396.32; Skidmore in Monroe, $365.25 and Pickering in Union, $323.09.

In six of the townships the quota was practically raised but fell short of the original sum. Maryville, headquarters for Polk, raised $1,458.52; Parnell of Independence, $235.75; Clearmont of Atchison, $132.45; Barnard, of Grant and White Cloud, $110.75; Quitman, of Greene, $75; Conception Junction of Jefferson, $8.70; and Elmo and North Grove of Lincoln, $54.50.

Guilford in Washington township and Ravenwood in Jackson, failed to report any money raised.

Each school district was asked to raise the sum of $25 and thruout the county only two districts, Knabb and Rockford, managed to raise the full amount. Knabb raised $26.50, while Rockford raised $26.00.

Other districts which made an attempt to raise the amount were Rose Hill, $19.50; Council Corners $19.00; Bedison, $15.88; Schudder, $11; Highland, $10; Bloomdale, $7.20; Union, $5.50; Garrett, $5; Martha Washington, $15. The remaining sixteen school districts did not even make a response.

MISSIONARY DAY AT CHRISTIAN SUNDAY SCOOOL

"Four Minute" Talks Given by Members During Morning Session.—To Raise $420 by June 1.

The annual Missionary Day was celebrated at the Christian church yesterday at the morning Sunday school service with a number of "four minute" talks by members of the church. P. D. Armour Duncan spoke on "India" Frank Green on "Japan" before the Sunday school, while talks on similar subjects were made by Mary Holt and Martin Penisten before the Junior department.

Each of the speakers brought before their hearers the conditions in foreign lands where Christianity is in its infancy and urged that efforts be made to extend the doctrines of the Christian religion to these lands.

The goal of the Christian Sunday school is to raise $420 by June 1, which is Children's Day, the sum to be sent to Dr. Drummond, a missionary of the local church who is now working among the natives in India.

Following the Sunday school service yesterday the 450 members went to the Buchanan street side of the church where a group picture was taken. Owing to an accident to the film, the picture will be taken again next Sunday.

A program has been arranged for Children's Day June 1, a feature of which will be a pageant given by the children of the school under the direction of Mrs. F. P. Robinson.

President's Proclamation Read at the Opening of Session—Luxury Tax Repeal Bill Introduced.

Washington, May 19.—With the reading of the president's proclamation calling it in extraordinary session, the sixty-sixth congress entered upon its first page of history promptly at noon today. The proclamation was read simultaneously in both chambers, the galleries of which were packed with colorful assemblage of men and women.

By tap of his gavel Vice-president Marshall called the senate to order and administering oath of office to the newly elected senators begun immediately after the reading of the proclamation.

Considerable time was occupied in the house by calling the roll of four hundred thirty-five members before the task of swearing in the entire membership embracing new and re-elected members again.

Rep. Mann of Illinois introduced constitutional amendment providing there shall be no abridgement of right of suffrage because of sex.

The repeal of the luxury taxes were provided in bill introduced in the senate today by Senator Wadsworth of New York. Similar bill was introduced in the house by Rep. Moore of Pennsylvania.

Senator Cummins of Iowa was elected president pro tem by a vote of 47 to 42.

HAWKER OFF TO SEA.

Australian Aviators Gets Away in Attempt to Win Tras-Atlantic Flight Prize.

London, May 19.—The Hawker is still flying and has a good chance of reaching England is the expectation of a code message picked up by the Sepwith company this afternoon.

St. Johns, N. F., May 19.—Harry G. Hawker, Australian aviator, and Commander Mackenzie Grieve, his navigator, are winging their way across the Atlantic on the most perilious airplane flight in history.

They took the air at 5:55 p. m., yesterday, Greenwich time (1:55 p. m., New York time) and expect to reach the Irish coast in twenty hours unless some accident forces them to plunge into the sea.

German Head of Peace Delegation Returning to Paris Today Report—May Be Replaced.

Paris, May 19.—The American, French and British delegations today received special dispatches from Berlin indicating that Germany probably will sign the treaty. The sentiment informally in favor of signing the terms is said to be stronger than at any time.

The foreign minister met this afternoon to hear the Dutch and Belgian representatives relative to revision of treaty of 1839. This treaty relates to the rights on Scheldt river and territorial matters.

London, May 19.—The socialist news paper, the Vorwaerts of Berlin, says the national assembly peace conference committee have decided that the treaty shall not be signed by the Germans, said a Central News dispatch from Amsterdam today.

Paris, May 19.—Count von Brockdorff Rantzau, German foreign minister and head of the peace delegation, is returning to Paris, according to report today. He is due to arrive here from Spa at noon. He left Versailles for Spa Saturday night.

It was rumored he was proceeding to Berlin and possibly would not return, being replaced by another German delegate.

Paris, May 19.—The distribution of mandatories for Turkish territories among the allies was taken up today by the "Big Four." The question has been complicated by religious matters. The French and British military representations met at the same time to decide upon joint military occupation.

STATE CAPITAL LETTER

Tax Solution Satisfactory—Republican League Name Negroes for Vice-President.

By Means Ray.

Jefferson City—The solution of the tax question by making an appropriation for the State Tax Commission and the naming of the new commissioner by Governor Gardner seems to have met with the approval of the people of the state generally. While the appropriation is for only $35,000 the Governor hopes to secure the services of men who will serve without financial reward, as commissioners.

It is agreed by all here that more money must be secured by the state to replace the $3,000,000 which has been received by licensing the liquor traffic. This money must be secured in some manner and there is no way to get it except by direct taxation.

People of the state will have no objection to this if reports received here are any indication of the general feeling.

Republican members of the House opposed the tax settlement for sometime and rejected conference report arter report relating to taxation for valuation of property at two-thirds value and a reduced state levy. Some say that they were anxious to have an extra session but the Governor and Democratic Senate did not want this expense of $100,000 and they worked day and night with the Republicans to bring about the solution finally agreed upon. Because of the failure of the House to pass measures providing for assessment of railroads and the collection of corporation franchise tax retaining the Commission was necessary. The Senate refused to confirm members of the Commission and others will be named by the Governor.

A small split occurred in the Republican party at the organization of the Republican League. Charlie W. Fear and others planned the organization and taxed members and clerks $5 each to pay for a banquet but Chairman W. L. Cole, refused to invite the county chairman of the state. Cole feared the League was opposed to his chief, Senator Straddler Spencer, who Republicans say is both for and against the League of Nations.

Cole did not stop there but "dipped in" on the election of officers by electing Representative Davidson, of St. Louis, president, over Fear. They did not stop here for they elected Representative Charles U. Becker and Miss Mathilda Dallmeyer vice-presidents. They "cooled them off" by naming three of the twenty-eight negro clerks, J. C. Bradshaw, St. Louis; Silas Harris, Kansas City and Al. Thomas, Jefferson City, vice-president also.

Republicans from all sections are quite displeased as a result of the negroes being elected and because they were invited to attend the banquet and occupy tables next to the whites. Country members say that this was forced upon them by St. Louis members who brought the 28 negro clerks here for the session.

Governor Gardner has spent this week with heads of the various state departments and institutions going over the appropriation bills. The money appropriated by the session is over $20,000,000 and the Governor is determined to hold the amount down to the expected revenue. Department and institution heads will explain which money is least needed.

It has been announced by Governor Gardner that he will not name members of the Workmens' Compensation Commission for several weeks. The law is not effective until November 1, and he is of the opinion that it is useless to pay salaries when there is nothing for them to do.

Baptists Raise Quota.

The $550 quota of the Baptist church of this city which was assigned to the local church as their part of the Fund which is being raised by the Baptists throughout the world as a benefit for ministers who have become too old for active church work was raised at the meeting following the regular morning service yesterday.

It was planned by the members to have an all day session at the church but as the entire amount was secured shortly afternoon, no further solicitation was made.

A noon luncheon was held at the church yesterday at which over 100 members were present.

McALLISTER AS FEDERAL JUDGE?

Much Talk of His Appointemnt to Succeed Judge Dyer—Governor Would Select His Successor.

Jefferson City, May 19—Possibility of the appointment of Attorney General F. W. McAllister as Federal Judge to succeed Judge David P. Dyer, has aroused considerable speculation in political circles here. Should McAllister win the Federal appointment, his resignation as Attorney-General would follow immediately. This would throw into the hands of Governor Gardner appointment of his successor. No more natural inference could be deduced than that he would select for the place a man who was in accordaance with him in his views on taxation and full assessment of property. Such an appointment would throw control of the State Board of Equalization into the hands of the governor and Auditor George E. Hackman who have stood out together all along in their contention for full valuations against the combination of McAllister, Middelkamp and Sullivan.

Middelkamp and Sullivan would be in the minority rule than as have been the governor and Hackman all along. Discussing the possibility of such a change Secretary of State Sullivan declared that he was willing to stand on his record as a member of the board and was unalterably opposed to the cash value assessment proposed by the State Tax Commission.

RICHARDSON TO JEFFERSON CITY

Governor Has Called a Meeting of Heads of State Institutions to Cut Down Appropriations.

Ira Richardson, president of the State Normal School, left for Jefferson City this afternoon, having been called there by Governor Gardner for the purpose of taking up the matter of the appropriation for the institution here. The governor has called together the heads of all state schools and other institutions preparatory to cutting down the appropriations, made by the recently adjourned legislature. The appropriations amount to more than $20,500,000 and the governor says not more than $18,000,000 will be available during the next biennial period.)

Jefferson City, May 19.—Governor Gardner today took up and began the work of "trimming" the appropriation bills. All three of the police salary increase bills will be approved. Boards of Estimates and other fiscal authorities of St. Louis and Kansas City and St. Joseph have endorsed the measures to the governor.

Executive heads of all State institutions will be summoned to this city for consultation with the chief executive as to what items in their budget they can best do without. Some will imply be "held up" until such time ext year as revenue developments will ndicate they can be ultimately paid. Others will be vetoed outright. There is a slight rift in the financial cloud with liee in the fact that President Wilson may rescind the war prohibition order, and in that event there will be at least $750,000 more revenue from the dram shops than has been figured on.

However, Governor Gardner cannot figure with any certainty at this time on the contingency of the lifting of the war prohibition which becomes effective July 1. If it should be raised and prohibition does not become effective until January 16, next year, it will be a veritable "windfall" to Missouri finance. It is reasonably certain that the governor will approve the bill increasing the pay of chief clerks, book keepers, stenographers and other clerks in the various departments, although there is a great pressure being brought to bear upon him to veto the increase. There is a protest of file with the governor asking him to veto the bill, signed by five members of the house. The governor is so swamped with the work of examining the several hundred legislative enactments left on his desk that it is questionable whether he will be able to accompany the reception committee to New York to welcome the eighty-ninth Division when it lands on its return from France next week. On top of this applications continue to pile up in the executive office for appointments on the workmen's compensation commission. These are from discharged soldiers, sailors and marines. All ranks, from colonel down to privates are included in the applications. The appointments, which include form commissioners at $4,000 per year each and a secretary at $3,500 will not be made for several weeks.

Gosh! How my back aches!
After influenza or colds the kidneys and bladder are often affected—called "nephritis," or inflammation of the kidneys.
This is the red-flag of danger—better be wise and check the further inroads of kidney disease by obtaining that wonderful new discovery of Dr. Pierce's known as "Anuric" (anti-uric) because "Anuric" expels the uric acid poison from the body and cures those pains, such as backache, rheumatism in muscles and joints.
Naturally when the kidneys are deranged the blood is filled with poisonous waste matter, which settles in the feet, ankles and wrists; or under the eyes in bag-like formations.
Dr. Pierce's Anuric is many times more potent than lithia and often eliminates uric acid as hot tea melts sugar.

Kansas City, Mo.—"For some time past I have been suffering with kidney trouble, and also, rheumatism. My back bothered me a great deal in the mornings. It would ache so it was difficult for me to rise up. The rheumatism seemed to be muscular, as my muscles would be sore and stiff most of the time. I doctored for these ailments but without relief. I saw 'Anuric' advertised and knowing that Dr. Pierce's other medicines were good, I got it at once. I have not finished the second bottle and my rheumatism has entirely left me

SELF POISONING VERY PREVALENT

Auto Intoxication Cause Of Most Ill Health and Disease.

Advanced medical authorities assert that auto intoxication is the foundation of most of the ills and diseases to which the human flesh is heir.

This condition is nothing more nor less than the slow self poisoning of the vital organs produced by the excessive mental and physical strain which we are forced to endure, which renders the organs lame and inactive, and permits toxins—actual poisons—to be generated within one's own body.

Usually the trouble starts in the intestines; sometimes it starts in the stomach, liver or kidneys, but in any case the blame lies with faulty method of living, and may be traced to over-eating excessive nervous strain, lack of exercise, or other causes. At any rate it is more important organs that suffer the final damage and when they falter or fail in their duties the body fills up with acids and poisons, and the victim often yields to their baneful influences. Bright's disease, heart trouble, high blood pressure, catarrhal affections, and other troubles are frequently the result of self poisoning, or auto-intoxication.

A tired draggy feeling of the body, a sluggish mind, and dull memory, intense nervousness, headache, stomach and bowel troubles, poor circulation, imperfect digestion, constipation and despondency are common symptoms of auto-intoxication; and nine out of every ten of the American people are likely to be so affected.

Taulac, the powerful reconstructive and systemic tonic was designed especially to overcome these very troubles. There is not a single portion of the body that is not benefitted by the helpful work of this celebrated preparation, which begins its action by stimulating the digestive and assimilative organs, thereby enriching the blood and envigorating the entire system. Composed of the most beneficial roots and herbs known to science, it enables the stomach to thoroughly digest the food, thereby permitting the assimilable products to be converted into blood, bone and muscle. It overcomes that great exciting cause of disease, weakness, it renders the body vigorous and elastic, it keeps the mind clear and energetic, and throws off the symptoms of nervousness and indigestion. It builds up the constitution weakened by diseased or mental and physical over-work, quickens convalescence of the invalid, and is a sure and unfailing source of comfort to those who are suffering from the effects of nervousness and overwork.

That Taulac does these very things is proven by the fact that it now has the largest sale of any tonic on the American market. Millions have used it with the most astonishing and gratifying results.

Taulac is sold in Maryville by the Koch Pharmacy and by A. M. Colly, Conception Junction; H. M. Lincoln, Pickering, and Carter Pharmacy, Burington Junction, Mo., and in Barnard, by Bear Drug Store, in Elmo by King Drug Co., and in Clearmont by Dr. W. H. Wiley; Ravenwood by C. A. Shunk. —Adv.

Must Order Nitrate Shipped Before June 1.

Washington, May 19.—Farmers who have ordered nitarte of soda from the Department of Agriculture must have their orders for shipment reach Washington by June 1, it was announced today. All Shipping orders received after this date will be canceled according to the Department's Bureau of Markets, which states that it is necessary to conclude distribution of the nitrate of soda and close the arrangement with the War Department, through which the nitrate was secured.

672 Took Recent Eighth Grade Examinations and 278 Were Successful.

In the recent eighth grade examinations held in the various townships over the county, there were 572 who took the examinations. Of this number only 278 were successful. This is a lower percentage than usual but County Superintendent Bert Cooper thinks it is due to the closing of the schools last fall on account of "flu."

Obituary.

M. P. Gingrich was born in Stark county, Ill., Sept. 22, 1854, and died at his home in Maryville Mo., May 16, 1919. He grew to manhood in what was known as Stringtown, Stark Co., Ill., about eight miles south of Toulon. In 1882 he was married to Louisa Swanson. To this union were born six children, three boys, E. J., Roy L., Arlo M., and three girsl, Mrs. Minerva Winell, Mrs. Miranda Heflin and Ada B. Gingrich. All of them were present at his death except the youngest son, Arlo, who is in St. Nazaire, France. Roy has just returned from overseas service.

Mr. Gingrich was a man who knew the worth of a friend, considering a friend one of the best assets of life. He was a man that was always ready to help the needy. He freely contributed to the church and all kindred institutions. He was held in high esteem by all who knew him. In 1904 when he left his home in Illinois to come to Missouri, he was given a large farewell party by his friends and neighbors who wished him every success in his future home. All felt they were losing a true friend and neighbor. On coming to Missouri he settled on a farm, 5½ miles northwest of Maryville, known as the Taylor farm, where he lived until the fall of 1917. At that time he moved to his present residence on West 7th street, Maryville, where he was living at the time of his death. Besides his immediately family, he leaves a brother, Samuel B. Gingrich of Toulon, Ill., and sister, Mrs. Nancy Hobbs of Burlington Junction, both of whom were present at his funeral. Another sister, Mrs. James E. White, of Toulon, Ill., was unable to attend. Mr. Gingrich joined the United Brethren church while living in Illinois and after moving to Missouri he united with the Methodist church. He was at the time of his death a member in good standing of the Modern Woodmen of America. Mr. Gingrich was a long anad patient sufferer and his funeral was one of large attendance, composed of those who knew him best. Services were held at the First M. E. Church, conducted by the Rev. Gilbert Cox, after which the body was laid to rest in Miriam cemetery.

FEDS LOSE TO CONCEPTION.

Hale, former Western League Hurler Proves Stumbling Block for Local Tossers—Good Crowd.

The Maryville Federals met a 13 to 6 defeat yesterday afternoon at the hands of the Conception College nine on the latter's diamond, a good crowd of both Conception fans, and rooters from this city witnessing the contest.

The Maryville team played an excellent game of ball, but their stumbling block was Hale, the Conception hurler. Hale pitched for the Omaha team in the Western League last season and at the present time is holding up on a contract with the Kansas City Blues.

Buhler and Conley divided the hurling honors for the Feds and Black and Busby shared up in the catching end.

THIS WEAK, NERVOUS MOTHER

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.

Philadelphia, Pa.—"I was very weak, always tired, my back ached, and I felt sickly most of the time. I went to a doctor and he said I had nervous indigestion, which added to my weak condition kep me worrying most of the time—and he said if I could not stop that, I could not get well. I heard so much about Lydia E. Pinkham's Vegetable Compound my husband wanted me to try it. I took it for a week and felt a little better. I kept it up for three months, and I feel fine and can eat anything now without distress or nervousness."—Mrs. J. WORTHLINE, 2842 North Taylor St., Philadelphia Pa.

The majority of mothers nowadays overdo, there are so many demands upon their time and strength; the result is invariably a weakened, run-down, nervous condition with headaches, backache, irritability and depression—and soon more serious ailments develop. It is at such periods in life that Lydia E. Pinkham's Vegetable Compound will restore a normal healthy condition, as it did to Mrs. Worthline.
